The brand was envisioned to offer a solution to the environmental deterioration. Obouteille began by developing a range of high-quality stainless steel insulated flasks that are aesthetically pleasing, functional, durable & sustainable. Obouteille is all about making sustainability fashionable. Brand is committed to making a positive impact on the environment by encouraging people to switch from single-use plastic bottles to reusable flasks.

Our mission is: to make sustainability accessible, practical, and stylish. Obouteille is more than just a brand. It's a movement, a community of people who are committed to making a positive impact on the world.
